

# Route description RegiLabs BV

Visiting address: Reactorweg 47A, 3542 AD UTRECHT, THE NETHERLANDS

## BY PUBLIC TRANSPORT

- Travel to NS railway station Utrecht Centraal.
- From railway station Utrecht Centraal by taxi.
- Or by regional bus 37 or 38 direction 'Maarsse Station' to bus stop 'Uraniumweg', followed by a 5 minutes walk to the Reactorweg (via the Nucleonenweg).
- For detailed travel information see [www.9292ov.nl](http://www.9292ov.nl) or [www.ns.nl](http://www.ns.nl).

## BY CAR FROM UTRECHT

(From Den Haag, Rotterdam, Arnhem, 's-Hertogenbosch via junction 'Oudenrijn' to highway A2 towards Amsterdam)

1. Take exit 7 'Lage Weide', turn right to 'Lage Weide' (Plutoniumweg).
2. Turn right at the crossing direction 'Lage Weide Zuid' (Atoomweg).

**Remark:** do not take the junction at the far right towards 'Centrum' (Wolfgang Pauliweg).

3. Drive on the Atoomweg and turn right directly after the HEMA site, direction Nucleonenweg.
4. At the end of the road, turn left to the Reactorweg.
5. After approximately 100 meters, you have reached RegiLabs on your left.
6. Parking: at the car park at the right side of the road.

## BY CAR FROM AMSTERDAM

(Via highway A2 towards Utrecht)

1. Take exit 7 'Lage Weide', turn left to 'Lage Weide' (Plutoniumweg).
2. Follow the route as described above, starting at point 2.

**Remark:** Due to the reconstruction of roads, your navigation system may guide you to the wrong address. If so, please navigate to the Nucleonenweg and use the small map shown to guide you to RegiLabs.
